Direct pressing. Aged in oak barrels.

Alcool : 13,5% vol.

Capacity : 75 cl

Cork : DIAM 5 customized for fontanel

Bottle : 530 g Veralia Bourgogne Avantage

Description : A great white wine from the south of France, the perfect challenger to Burgundy, but at a very affordable price. Produced from vines dating from 1908, Grenache and Roussane offer fine notes of white fruit and a few finely woody notes from aging in French oak barrels produced by the best coopers in Burgundy. A resolutely premium wine appreciated by great Chefs.
