Oxidative aging 7 years in oak barrels.

Alcohol : 16 % vol.

Capacity : 75 cl

Guide Hachette des Vins 2023 ★

« A fair choice of barrel aging, neither too short nor too long, perfectly adapted to this harvest, and here is a very balanced, supple and elegant wine, where the grilled dried fruits accompany the candied citrus and the softness of the dried apricot and raisined grapes. A beautiful freshness in the finish suggests an iced accompaniment.»
